SDG REPORT 2026

Sustainability Office

SDG 3
GOOD HEALTH AND WELL-BEING

AT A GLANCE

Care on campus, prevention and active lives

SDG 3 calls for healthy lives and well-being for all at all ages. Over the past year AzTU offered free eye checks and health education with medical partners, ran a Spartakiad for staff and students and grew biomedical research with German partners.

Reporting period November 2025 – October 2026

UN targets addressed: 3.3 · 3.4 · 3.5

95%

of Student Polyclinic services free under compulsory insurance

Evidence E3

482

staff and students competed in the XIII Spartakiad

Evidence E12

430

mental health consultations provided in 2025

Evidence E1

6

health awareness events and screenings

Evidence E13, E5, E6, E8, E10, E9

POLICY AND COMMITMENT

Commitments set out in published policy

Health, Welfare and Safety Policy, 5.3

v4.0 · 2026

Access to medical, psychological and wellbeing support, with early intervention, referral and confidential arrangements.

Evidence E2

Health, Welfare and Safety Policy, 5.4

v4.0 · 2026

Illegal substances and alcohol are prohibited during university activities, as are violence, harassment and unsafe practices.

Evidence E2

Health, Welfare and Safety Policy, 5.5

v4.0 · 2026

No smoking or vaping indoors, at entrances or at university events; no tobacco sales; awareness and referral for those who want to quit.

Evidence E2

KEY INDICATORS

Health and sport in numbers

November 2025 – October 2026, from published news

XIII Spartakiad, May 2026

482 staff and students competed

Organised by the Trade Union Committee, the Student Trade Union Committee and the Sports Club.

Health events and screenings

6 documented events

- Free eye examination for students and staff, October 2026
- World AIDS Day talk, followed by check-ups at the polyclinic
- Sessions on preventive and women's health and on drug addiction
- Organ donation awareness; SupAutism project presentation

Participant numbers were not reported.

Also: 3×3 basketball tournament with BSU and AUAC teams hosted in the AzTU Sports Hall, May 2026

Evidence: E12, E13, E5, E8, E10, E6, E9, E11

KEY INDICATORS, 2023–2025

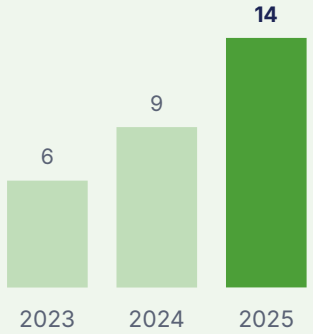
More activity, more support

As reported in the SDG 3 Report 2025 (rev2). The report gives AzTU internal records as the source.

Health and wellness events

14

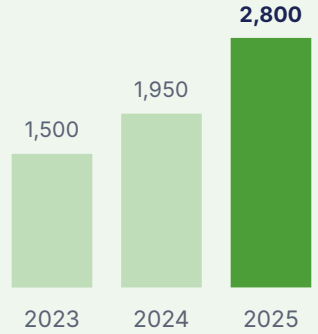
+133% since 2023



Students in physical activities

2,800

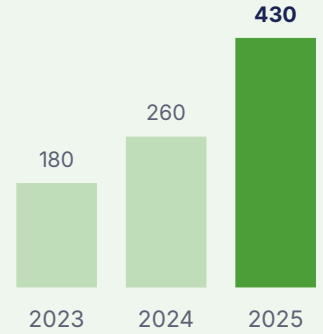
+87% since 2023



Mental health consultations

430

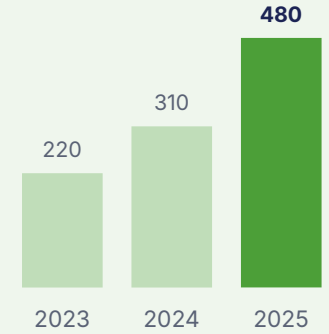
+139% since 2023



Staff trained in occupational safety

480

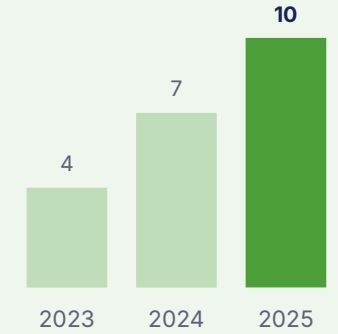
+118% since 2023



Health-related research projects

10

+150% since 2023



Calendar-year figures. Consultation and training registers will be checked before submission.

Evidence: E1

THE IMPACT METRIC

3.3

Health services and outreach

How AzTU gives its community access to care, prevention and sport.

IN THIS SECTION

Polyclinic · Screenings · Health education · Sport

3.3 · HEALTH SERVICES

A polyclinic on campus

The Student Polyclinic, part of the Baku Main Health Center, has served students and staff in Building 3 since 1967: primary care, treatment and prevention, with surgical, therapeutic, cardiology, eye, neurology and ENT rooms and a laboratory.

Access

Students and staff show their ID card; staff register them in E-Tabib and refer them to specialists.

95%

of services free under compulsory insurance

Dental care and some other specialist services are paid.

SMOKE-FREE CAMPUS, POLICY 5.5

- No smoking or vaping indoors, at entrances or at events
- No tobacco sales or promotion; help for those who want to quit

Evidence: E3, E2

3.3 · HEALTH SERVICES

Free eye checks and health education

13 October 2026 · With TTKF and Liv Bona Dea Hospital

Students and staff had their vision checked and an initial eye-health assessment. Doctors advised on protecting eyesight, early detection and regular check-ups.

2 December 2025 · World AIDS Day

A Republican AIDS Control Center specialist spoke on HIV prevention, screening and treatment; students then had check-ups at the polyclinic.

Free eye examination, October 2026

Evidence: E13, E5

3.3 · HEALTH SERVICES

Prevention, inclusion and sport

Preventive health

3 March 2026

Sağlam Ailə specialists on early diagnosis, women's and maternal health and check-ups.

Evidence E8

Say No to Drug Addiction!

20 April 2026

Awareness event under the 2025–2030 State Programme with a youth anti-drug union.

Evidence E10

SupAutism

3 March 2026

Student app giving parents of autistic children psychological and practical guidance.

Evidence E9

XIII Spartakiad

7 May 2026

198 staff in five sports and 284 students in seven competed.

Evidence E12

Shared Sports Hall

4 May 2026

District 3×3 basketball tournament for teams from AzTU, BSU and AUAC.

Evidence E11

Mental health support

2025

430 mental health consultations, up from 180 in 2023, per rev2.

Evidence E1

THE IMPACT METRIC

3.1

Research on health and medicine

How AzTU's Institute of Biomedical Engineering applies engineering and AI to medicine.

IN THIS SECTION

Biomedical engineering · AI in medicine · Partners · Awareness

3.1 · HEALTH RESEARCH

Engineering for medicine

AI in brain surgery
6 February 2026
Agreement with German professors on developing AI-equipped systems for brain surgery and taking them into clinics.

Digital health
24 November 2025
Institute of Biomedical Engineering session on AI and big data in health systems.

Organ donation
15 December 2025
Event with the Ministry of Health's Organ Donation and Transplantation Coordination Center.

Research projects
2025
Ten health-related research projects launched, up from four in 2023 (rev2).

Organ donation awareness event, December 2025

Evidence: E7, E4, E6, E1

LINKS TO OTHER SDGS

Health work that serves the other Goals

4 Quality Education

Health education on HIV, drugs and organ donation.

5 Gender Equality

Session on women's and maternal health.

8 Decent Work and Economic Growth

480 staff trained in occupational safety in 2025.

9 Industry, Innovation and Infrastructure

AI-equipped systems for brain surgery with German partners.

10 Reduced Inequalities

SupAutism app supports families of autistic children.

17 Partnerships for the Goals

Partners: Liv Bona Dea, TTKF, Sağlam Ailə, Ministry of Health.

PRIORITIES FOR 2027

From events to measured health outcomes

01

Count polyclinic use

Anonymised visits, referrals and screenings each year.

02

Define mental health services

Who provides counselling, how to book and waiting times.

03

Open the Sports Hall

Published rules and bookings for local residents.

04

Map reproductive health care

Confidential services and referral routes for students.

05

Check the smoke-free rules

Signage and compliance audits on campus.
